

BUFC

Code of Behaviour

Be aware of your own personal health

If you show any of the COVID 19 symptoms you must stay at home, inform NHS test and trace and seek medical advice.

Be responsible

Read the guidance provided by the FA and BUFC so that you are aware of the changes to the game and what is expected of you.

Practice good hygiene

Wash your hands regularly and before, during and after all football activity.

Where possible maintain social distancing

This won't always be possible in a competitive match environment (for example when tackling an opponent) and that is acceptable. However, before, and after you have taken part in any football activity you should maintain social distancing.

Support NHS test and trace

You and your parents will be asked to provide your details so that in the event of a COVID 19 outbreak those potentially infected can be traced. This is to everyone's benefit so please co-operate.

Do not spit

Spitting and the rinsing out of mouths is now a recognised risk to health and must not be done. Avoid shouting or raising your voice if face to face with other players.
